Information about the town and/or neighborhood	Our school is situated in Mairena del Aljarafe. This town is located a few miles away from Seville. Line 1 of the Seville Metro, which is next to the school, allows you to reach the center of Seville in 10 or 15 minutes, which is why almost all the assistants prefer to live there, instead of in Mairena. Seville is one of the most beautiful and important cities of Andalucia, a region in the south of Spain. The sunny weather, the delicious food, its monuments and the kindness of its people make Seville one of the best cities to live. In these links, you can know both Mairena and Seville: https://youtu.be/H4PL08x8fxA https://youtu.be/LnV7lkZU-OY
Getting to school	If you decide to live in Mairena, you will not need to use public transport since it is a small city. But if you choose to live in Seville, the most comfortable and fastest way is to use the metro that leaves you just five minutes from the school. To check schedules and rates you can consult the following website: https://www.metro-sevilla.es/horarios-y-tarifas

Accommodation	If you decide to live in Mairena, we recommend visiting a estate agency in town. We might be able to help you. If you decide to live in Seville, the best option is to share a flat or rent a room, since the prices are usually high. There are several websites that you can visit: www.idealista.com enalquiler.com www.fotocasa.com www.pisos.com www.tucasa.com www.easypiso.com
Contact with other Language Assistants	Our previous language assistant is Rhyannon Phipps. You can contact her via email if you need more information. rcphipps0406@gmail.com
